Oggetto: **REACH regulation (Registration, Evaluation and Authorization of Chemicals)**

Dear Customer,

We would like hereby to confirm that all the products traded by our company and supplied to the European market will not require for your Company any obligation of pre-registration as stated by REACH regulation, since the non-European Manufacturer (*Dneprospetsstal – Zaporozhye / Ukraine*) has already taken care of these procedures.

Please refer to the enclosed documents for further details:

- Letter of the Only Representative (*TM&C Srl*) of *Dneprospetsstal* under REACH regulation.
- Certificate of appointment of the Only Representative.

Should you need additional information, please contact us to:
